

YOUTH CARES

European youth involved in social action in Mental Health

The project aims to involve young people in the creation of more open, tolerant and inclusive communities, especially towards people with mental health issues. The project's activities will promote non-discrimination and youth active participation in the improvement of the quality of life of this specific target groups. Fundación INTRAS will host 4 volunteers coming from Italy, France and Poland, for a 9-months experience which will promote their personal and professional development.
